

Principal's Message

Dear Parents and Guardians,

As we step into the vibrant month of May, I am thrilled to share with you the wonderful progress and achievements of our students here at Alliance. It has been a month filled with growth, learning, and exciting events, and we are eagerly looking forward to what the remainder of the school year has in store for us.

I am incredibly proud of our students' dedication to their learning journey. Throughout the past months, they have

_____ for more information about epilepsy.

Grade 3 Action-Oriented Task

engaged in an Action-Oriented Task about pizza. The students learned the necessary vocabulary through songs such as the all- - alouids such as Party de pizza secret. With this vocabulary they engaged in many opportunities to practice the vocabulary including their final task where they very successfully recorded a mock phone call to place an order for pizza, with a partner. This learning also trickled into other subjects such as mathematics as they deepened their understanding of fractions and did some data collection, as well as visual arts where they created 3D pizza slices. Students are excited to wrap up their learning by preparing their own pizzas later this week!

Bear Witness Day

Madame Tran's grade 3 class continues to deepen their understanding of the importance of Truth and Reconciliation as they learn and spread awareness to end inequalities in public services for Indigenous children, youth and families. May 10th is recognized as Spirit Bear's birthday and an important date in the history of Jordan's Principle at the Canadian Human Rights Tribunal. On **May 10th** staff and students are invited to bring a **teddy bear** to school to celebrate Spirit Bear's birthday. For more information on Jordan's Principle.
