

Some of the following questions were posed at the first Public Meeting held February 15th. Others have come from discussions subsequent the meeting. The questions reflect the thought and consideration of a number of concerned parents and citizens. Thank you for considering our questions. We look forward to receiving your answers.

1. Does the City of North Bay's Official Plan and Zoning By-law permit this significant increase in or (e)lated (o) was (s) proposed single English Public High School? Is it possible?

1. Why would the Near North District School Board and the City of North Bay experiment of this magnitude be carried out in a city of this size?

2. Why would the Near North District School Board propose a school that is not sufficient and appropriate to accommodate over half of the current student population in the City of North Bay?

3. Has the NNDSB considered current, peer-review research on school size and student outcomes?

4. Has the NNDSB considered the validity of it's statement that it will provide more programming and opportunities for students?

1. How will you honour the Board's commitment to provide a safe and healthy environment for all students to encourage healthy and active students?

2. Considering the Board is proposing to build the single English Public High School in the Province of Ontario in terms of student enrolment, capacity, and Safe Routes to School Coordinator/planner to work with the City of North Bay and other community partners to ensure the school is safe and accessible to all students?

take active transportation to school, instead of busses be provided a safe and well organized option?

1. Is there a plan in place to expand the existing high-school specialty programs so that they will be available to all students?

3. While there may be the perception of added programming opportunities should the preferred option go ahead, has the Board fully considered the ramifications of having all of their self-
