ARC Committee School Meeting
Chippewa Secondary School

- Common space/Student lounge
- School Store/Campus store
- WIFI to be enhanced
- Dance studio
- Music room
- Recording studio
- Drama studio/rehearsal classroom
- Technical Theatre Shop (Props, costumes, set design and construction, Costume, prop, lighting and sound storage)
- Stand alone, professional working theatre (Rental opportunities for community partnership). We will be giving up a tremendous amount of working theatres (CSS, WSS, WFSS). Must do a good job on this.
- Large group lecture theatre (Academic Theatre)
- Board Room/Meeting Room
- Outdoor field, covered turf field (community rental options)
- Greenhouse/Community gardens/community partnership opportunity - outdoor land/Greenspace
- Science Labs
- Access to Bike Path
- Outdoor education storage
- Student Council Office
- Student Council Storage space
- "On Route" style bathrooms (Wide, accessible entrance from hall) and a bank of single toilets (no gender) in many spaces
- Student Services/Wellness Centre/Office - Living walls (OKP Style) Home for Sexual Health Nurse, Nurse, Guidance, CDA, Mental Health supports,

LGTBQ support, Aboriginal programming and Aboriginal Gathering Circle space. Principals offices, main office and attendance can be placed in this area. Very cohesive.

- Building design to reflect our Northern Ontario lifestyle - use building materials that reflect this - like North Bay General Hospital and One Kids Place.
- Charging stations for technology - accessible to students and staff (Airport style)
- Therapeutic rooms for Special needs students (Sensory needs, occupational therapy room, Speech Therapy room, Physical Therapy room, Special Education Team meeting room)
- Safety - security (doors, buzz in, camera, staff identification swipe, alarms...)
-
